(c) if so, what steps have been taken by Government to stop these malpractices in the recruitment to the Army and the Navy ?

THE MINISTER OF STATE IN THE DEPARTMENT OF DEFENCE PRODUCTION AND SUPPLIES IN THE MINISTRY OF DEFENCE (SHRI SHIVRAJ PATIL) : (a) The article published in 'Telegraph' of 16th November, 1986 highlights the following aspects :—

(i) Production of fake and forged certificates by candidates at the time of screening for recruitment;

(ii) Operation of bogus recruitment parties; and

(iii) The activities of agents and touts outside the orbit of Recruitment Organisations.

The article also points out the difficulties faced by the local civil police in dealing with these cases effectively and expeditiously.

(b) and (c) No specific report from the Zonal Recruitment Officer, Calcutta, has been received. Keeping in view the various complaints received from public and press, effective steps have been taken to check the identity of the individuals and to inspect the documents at the Branch Recruitment Officers during initial screening to detect such cases. The second and more thorough check is again done when the recruits arrive at the Training Centres. The methodology for these have been laid down in great detail to be followed by each Recruitment Office and Training Centre. Certificates produced by candidates, if detected to be fake, are confiscated and the candidates are handed over to the police authorities. Information about touts and bogus recruitment teams are given to the Civilian Police for investigation and follow-up action. Wide publicity is given through the media to educate candidates that recruitment is open to everybody and is a free service and that they should not fall prey to unscrupulous elements.
